I. Purpose

The National Gay & Lesbian Chamber of Commerce® (NGLCC) is the only national not-for-profit advocacy organization specifically dedicated to expanding the economic opportunities of the LGBT business community. The NGLCC seeks to provide benefits to LGBT-owned businesses and to major corporations who are invested in creating an LGBT-inclusive supply chain. Through the NGLCC Supplier Diversity Initiative, the NGLCC offers the LGBT business community a nationwide certification standard for designating businesses as LGBT Business Enterprises (LGBTBEs). The NGLCC also offers its corporate members a national LGBT Business Enterprise database—MyNglcc. The NGLCC further works to increase LGBT procurement opportunities by providing training on its Supplier Diversity Initiative and best practices within the procurement field, and by hosting matchmaking events for LGBTBEs and corporate procurement representatives.

The NGLCC Supplier Diversity Initiative Certification Committee Standards and Procedures describe the criteria for certification as an LGBTBE and the application review process for all businesses seeking certification. A rigorous certification process ensures that the certification is a mark of distinction for the LGBTBEs and is held in the highest regard by corporate procurement representatives.

The NGLCC and its staff are responsible, among other things, for the coordination of the NGLCC National Certification Committee (hereafter referred to as the National Certification Committee), and the NGLCC Appeals Committee (hereafter referred to as the Appeals Committee). The NGLCC is additionally responsible for overseeing and guaranteeing the implementation of the Standards and Procedures detailed in this document through periodic reviews of its certification process.

Business enterprises should note that if they are denied certification as an LGBTBE by the National Certification Committee, the business is not precluded from directly participating in any procurement program or contract opportunity offered by NGLCC corporate members. The certification eligibility standards established herein are adapted from 49 Code of Federal Regulations (CFR) Part 23 and Part 26.

Please refer to Section VII. Definitions for the meanings of capitalized terms used in this document.

II. Applicability

These standards and procedures govern the operation of the National Certification Committee(s) and apply to any business seeking certification as an LGBTBE. Certification as an LGBTBE is based on the information provided by the applicant in the affidavit, including the LGBT Status Qualifiers provided by the principal(s) of the applicant, and is awarded without regard to gender, race, ethnicity, religious affiliation, age, disability, national origin, or veteran status.

Potential applicants interested and eligible for certification as an LGBTBE should apply for certification without waiting for a conditional contractual commitment from a customer.

III. Marital Status

The National Certification Committees’ decisions regarding certification as an LGBTBE are made without regard to community property laws and/or civil union or marital status.

IV. Disclosure and Confidentiality

All materials and information submitted with the certification application and affidavit become the property of the NGLCC. Information that the applicant marks as proprietary or confidential or that reasonably may be regarded as such will be treated accordingly. Information about an applicant and/or a certified business is released in circumstances, which may lead to increased opportunities for the business and will not be released without the prior approval of the business. The certification affidavit that is part of the application for certification includes an indemnity clause.
V. Responsibilities

The National Certification Committee is ultimately responsible for the implementation and enforcement of the certification policies described in this document.

The National Certification Committee Chairs have the requisite authority for overall execution, oversight, and reporting of the NGLCC’s certification process, and are accountable to the President of the NGLCC.

The NGLCC Supplier Diversity staff is responsible for the administrative coordination of the National Certification Committee.

VI. Expedited/ Certification

The NGLCC, through a Memorandum of Understanding with the Women’s Business Enterprise National Council (WBENC) and the US Business Leadership Network (USBLN), offers an expedited process to businesses already certified by WBENC and USBLN. Eligible applicants should submit a copy of their WBENC/ USBLN application and accompanying certificate, completed MyNGLCC business profile, and LGBT Status Qualifiers. Applications will be reviewed in an expedited fashion; a decision will be made by the NGLCC Certification Committee.

The National Certification Committee determines certification decisions recognized by the NGLCC. All businesses certified as LGBTBEs will be listed in MyNGLCC.

VIII. LGBTBE Eligibility Standards

The National Certification Committee will use these standards and procedures in determining whether an applicant is owned and controlled by LGBT person(s) who are U.S. citizens or lawful permanent residents, and therefore eligible to be certified as an LGBT Business Enterprise. Legal entities must be formed in and have their principal place of business in the United States or one of its territories.

In determining eligibility, the National Certification Committee must consider all the facts in the record, viewed as a whole, as they appear at the time of the application. An eligible applicant will not be refused certification based solely on historical information indicating a lack of ownership or control of the applicant by LGBT person(s) at some time in the past, if the applicant currently meets the ownership and control standards.

An eligible applicant will not be refused certification solely on the basis that it is a newly formed business.

A. Ownership

1. The ownership by LGBT person(s) must be real, substantial and continuing going beyond the pro-forma ownership of the business as reflected in its ownership documents.

2. The applicant must share in all risk and profits commensurate with his/her ownership interest as demonstrated by a detailed examination of the substance of his/her business arrangements with others.

3. All securities that constitute ownership of a business shall be held directly by LGBT person(s), or held in a trust that is one of the types of trusts described in Section VIII.A.5.e. “Trusts.”

4. Contribution of Capital or Expertise
   
   a. Contribution of capital and/or expertise by LGBT owners to acquire their ownership interest shall be real and substantial and be in proportion to the interest(s) acquired.

   b. Insufficient contributions shall include, but shall not be limited to, promises to contribute capital or expertise in the future, a note payable to the business or its owners who are not LGBT persons, or the mere participation as an employee.

5. Business Structures and Ownership Vehicles. Legal entities must be formed in and have their principal place of business in the United States or one of its territories.

   a. Sole Proprietorship

   ii. Any voting agreements among the shareholders must not dilute the beneficial ownership, the rights, or the influence of the LGBT owners of the stock or classes of stock of the corporation.

   iii. LGBT owners shall possess the right to all customary incidents of ownership (e.g., ability to transfer stock, title possession, enter binding agreements, etc.).
iv. Nonprofit corporations do not meet this requirement and are therefore not eligible for certification.

c. Partnerships

i. General Partnership. In a general partnership, LGBT owners must own at least fifty-one percent (51%) of the partnership interests.

ii. Limited Partnership

1. In a limited partnership, the LGBT general partners must own at least fifty-one percent (51%) of the general partnership interest and exert at least fifty-one percent (51%) of the control among general partners. The LGBT general partners must receive at least fifty-one percent (51%) of the profits and benefits, including tax credits, deductions and postponements distributable or allocable to the general partners.

2. In addition, the LGBT limited partners must own at least fifty-one percent (51%) of the limited partnership interests and receive at least fifty-one percent (51%) of the profits and benefits, including tax credits, deductions and postponements distributed or allocable to the limited partners.

d. Limited Liability Companies

i. In a Limited Liability Company, LGBT principal(s) must own at least fifty-one percent (51%) of membership interests, and at least fifty-one percent (51%) of the management and control among the members.

ii. The LGBT principals must also participate in all risks and profits of the organization at a rate commensurate with their membership interests.

e. Trusts

i. In order to be treated as owned by LGBT persons, securities held in a trust must meet the following requirements, as applicable:

1. Irrevocable trusts. Securities held in an irrevocable trust will be treated as owned by LGBT persons if the transferor is an LGBT person, all trustees are LGBT persons, and all Grantors of the irrevocable trust are LGBT persons.

2. Revocable trusts. Securities held in a revocable trust will be treated as owned by LGBT persons if the transferor is an LGBT person, all trustees are LGBT persons, and all Grantors of the revocable trust are LGBT persons.

3. ESOPs. Securities owned by LGBT persons who are participants in an employee stock ownership plan qualified under Section 401 of the Internal Revenue Code of 1986, as amended, and held in a trust where all of the trustees are LGBT persons and all the Grantors of the trust are LGBT persons will be treated as owned by LGBT persons.

4. Other requirements. Businesses whose securities are owned in whole or part in a trust are not thereby exempt from the other requirements of this Section VIII.
The applicant must show evidence that the LGBT person(s) have control of the business. “Control” means the primary power to direct the management of a business enterprise as evidenced through the governance documents and actual day-to-day operation.    b. A previous and/or continuing employer-employee relationship between or among present owners are carefully reviewed to ensure that the LGBT employee-owner has management responsibilities and capabilities.
   c. In the event that the actual management of the business is contracted or carried out by individuals other than the LGBT owner(s), those persons who have the ultimate power and expertise to hire and fire the managers can, for this purpose, be considered as controlling the business.
   d. An LGBT owner, or another such LGBT person, must hold the highest officer position in the company (i.e., President or Chief Executive Officer by whatever title).
   e. The applicants must show evidence that the LGBT person(s) have operational authority and managerial control of the business. In evaluating this evidence, the following factors will be considered:
      i. Operational Authority. “Operational Authority” means the extent to which the LGBT person(s) actually operate the day-to-day business. Assessments of operational control will rest upon the peculiarities of the industry of which the business is a part. Within fifteen (15) business days, the Chair of the Appeals Committee will determine, on the basis of the information provided by the challenging party, whether there is reason to evaluate the challenge.

A. If the Chair of the Appeals Committee determines that the challenge is not credible, the challenging party will be so informed in writing and the investigation of the LGBT Business Enterprise will be closed. If the challenging party believes the determination is in error, it may appeal the decision to the National Certification Committee Chairs in accordance with Section XV. Appeal Process.

B. If the Chair of the Appeals Committee or the National Certification Committee Chairs determine that there is reason to believe that the LGBT Business Enterprise is not a bona fide LGBT Business Enterprise, the following steps will be taken:

1. The LGBT Business Enterprise will be notified in writing that its NGLCC certification has been challenged. This notice will identify and summarize the grounds for the challenge. This notice will require the LGBT Business Enterprise to provide the NGLCC with information/documentation to refute the challenge within a time frame specified by the NGLCC.
2. Once the requested information is received, the Chair of the Appeals Committee or the National Certification Committee Chairs (depending on which party deemed the challenge credible) will evaluate the information/documentation available and make a preliminary determination. The LGBT Business Enterprise and the challenging party will be notified of the preliminary determination in writing, setting forth the reasons for the decision. The party which deemed the challenge credible may also provide an opportunity to the parties for a hearing to respond to the determination in person.

3. Within ten (10) business days of the receipt of the requested information or hearing, whichever is later, the party which deemed the challenge credible will make a final determination and inform the parties in writing of the reason for the determination.
   a. If the determination is to revoke the business’ certification, the adversely affected party may reapply for certification one (1) year after notice of revocation is given.
   b. While a challenge is pending, the LGBT Business Enterprise certification will remain in effect.

XIII. Revocation of Certification

A. An LGBT Business Enterprises may have its certification revoked by the National Certification Committee and suspended from eligibility in any of the participating entities’ NGLCC programs for any of the following reasons:

1. If the business entity’s ownership and/or control by LGBT person(s) has changed to the extent that the business is no longer a bona fide LGBT Business Enterprise in a member of the National Certification Committee’s reasonable judgment;

2. If due to a challenge or some other reason, including a Program Review, a business entity’s current certification eligibility is re-examined and the business is found not to be a bona fide LGBT Business Enterprise; or

3. If a business is found to be engaging in business practices on any of the member’s projects that circumvent the intent of the NGLCC’s programs.

4. Any official from the National Certification Committee or any of its members or any other interested party that discovers irregularities relative to the LGBT status of any of the NGLCC certified suppliers may provide a written statement to the Appeals Committee Chair citing noted irregularities. Person(s) specifically challenging a business’ LGBT Business Enterprise status will be advised of the NGLCC’s Challenge Procedure. (See Section XIII. Challenge Procedures).

5. LGBT Business Enterprises that are no longer active business entities, as well as suppliers that do not respond to requests for updated or new certification information/documentation, will be removed from the NGLCC’s Certified Supplier List after sixty (60) days of non-responsiveness. Reinstatement will require complete re-application for NGLCC certification.

B. Within fifteen (15) business days of the revocation determination, the National Certification Committee Chairs will notify the LGBT Business Enterprise of the decision and summarize the reasons for the decision.

C. Any business that believes that its LGBT Business Enterprise certification has been wrongly revoked may appeal as prescribed in Section XV. Appeal Process, unless revocation was the result of a challenge deemed credible by the National Certification Committee Chairs.
XIV. Appeal Process

During the appeal, the Appeals Committee will consider all information as presented during the initial certification application process as well as any relevant and/or requested additional information. Changes in the business’ ownership and control subsequent to the applicant’s request for certification shall not be considered as evidence during the appeal process.

   d. Meetings of the Appeals Committee can be called at the discretion of the National Certification Committee Chairs. The Appeals Committee will convene, review the file and make a recommendation to the NGLCC Appeals Committee Chair.
Note: The National Certification Committee’s original certification determination remains in effect pending any appeal.

e. The applicant will be informed of the decision in writing within fifteen (15) business days. The decision by the National Certification Committee shall be upheld unless overturned by the Appeals Committee.
