

LGBTQ STATUS QUALIFIERS FOR BUSINESS OWNERS

The National LGBT Chamber of Commerce's supplier diversity corporate partners have made a commitment to buying back from the LGBTQ community.

The NGLCC National Certification Committee, in accordance with the LGBT Business Enterprise™ (LGBTBE) certification's [Standards & Procedures](#), asks for status qualifiers to establish LGBTQ identity in order to demonstrate to all stakeholders that the NGLCC is working on behalf of LGBTQ business owners.

Therefore, the Committee reserves the right to ask for several LGBTQ status qualifiers in order to authenticate the affidavit and corroborate each LGBTQ status qualifier document with the other. This, in concert with the other certification requirements, prevents ineligible applicants from dishonestly obtaining LGBTBE certification.

Unless otherwise noted, the following documents are acceptable forms of LGBTQ status. The more an applicant can provide, the more unequivocally it can be determined that the owner(s) is LGBTQ.

Please note: if the sum of all the documents does not specify explicitly that said owner identifies as Lesbian, Gay, Bisexual, Transgender, or Queer, it is very unlikely that it will suffice for the National Certification Committee.

If you have any questions or concerns, please do not hesitate to contact supplierdiversity@nglcc.org.

Please also note: The NGLCC provides a list of LGBTQ status qualifiers for all members of the LGBTQ community –both those in a relationship and for those who are single. Please read through all of the options below before deciding which qualifiers you would like to submit.

You may submit *either*:
One (1) document from [List A](#)
OR
Two (2) documents from [List B](#)
